Acknowledgement

First and above of all, I would like to confess favor and thanks to **ALLAH** who granted me the power, patience and reconciliation at all time, without his great blessing, I would never accomplish my work.

No word could express my feeling of gratitude and respect to **Prof. Dr. Tarek Hussein El Badawy**, Professor of Cardiology and Angiology, Faculty of Medicine, University of Alexandria for his supervision, useful advices, marvelous effort and support during this study.

I would like to express my sincere gratitude and appreciation to **Prof. Dr. Muhammad Nasr eldin El Sayed**, Professor of Critical Care Medicine, Alexandria University Hospitals, for his kind advice, valuable supervision and constructive encouragement in conducting the study.

My deep appreciation to **Dr. Mohamed Mostafa Abd El Salam Megahed**, Assistant Professor of Critical Care Medicine, Faculty of Medicine, University of Alexandria, for his continuous supervision and expert guidance.

Finally, warmest thanks should go to my family for their endless help, support and encouragement.
