List of Contents

S.No	Items
1.	Acknowledgement
2.	List of Contents
3.	List of Tables
4.	List of Abbreviations
5.	Introduction
6.	Aim of Work
7.	Patients and Methods
8.	Results
9.	Discussion
10.	Summary & Conclusion
11.	Recommendations
12.	References
13.	Protocol

List of Tables

S.No	Table
1	Comparison between the Different Studied Groups According to Demographic Data
2	Comparison between the Different Studied Groups According to Medical History
3	Comparison between the Different Studied Groups According to PWD
4	Comparison between the Different Studied Groups According to QRS Duration
5	Comparison between the Different Studied Groups According to QTD
6	Comparison between the Different Studied Groups According to ICU Length
7	Comparison between the Different Studied Groups According to Complications
8	Comparison between the Different Studied Groups According to Survival
9	Relation between PWD, QRS duration, QTD & Complications in failed Thrombolysis Group
10	Relation between QTD & Complications in Failed Thrombolysis Group
11	Relation between Survival and Complications in Failed Thrombolysis Group
12	Relation between ICU Length & Complications in Failed Thrombolysis Group
